"PREPARED BY AND FOR THE WALT DISNEY WORLD CAST"

NOVEMBER 7, 1980

## CONGRATULATIONS, ROBIN!

Congratulations are in order for **Robin Maples** of Entertainment, our newly selected 1981 Walt Disney World Ambassador. After weeks of interviews, television tapings, photography sessions and waiting, Robin was named successor to **Monica Hallecks**, our 1980 Walt Disney World Ambassador, at a special ceremony at Cinderella Castle forecourt on Friday, October 31.

A native of Florida, Robin graduated from Edgewater High School before going to Rollins College where she graduated with a degree in Communications this past June. To finance her education, Robin joined the Disney cast in 1977 as a dancer at the Diamond Horseshoe Revue, which led to bigger roles in the Class of '27 and most recently Pioneer Hall Hoop-Dee-Do Revue. Robin loves to travel and has already had experience on Marketing "target markets" traveling with previous Ambassadors on visits throughout the United States and Canada.

Robin was selected as Ambassador from a field of over 120 applicants. Our three other finalists were **Gayle Beatty** of Wardrobe, **Laura Darrow** of Guest Relations and **Cindy Godwyn** of the Village Restaurant at Lake Buena Vista.

The role of Ambassador is a very demanding one. Robin will not only represent our 13,500 Walt Disney World cast members, but she will also be an official representative of the State of Florida and the United States Travel Service.

Throughout the next few weeks, Robin will be involved in an extensive training program along with the newly selected Disneyland Ambassador. They will both learn every aspect of our organization from the

movie industry to our theme parks. In addition, they will both participate in the ground-breaking ceremony at Tokyo Disneyland next month.

We are sure you will all wish Robin every success in her new role as our 1981 Walt Disney World Ambassador. It's certain to be a very busy, exciting and hectic year for her.

Bob Allen, Walt Disney World Vice President, read the proclamation announcing Robin as the 1981 Walt Disney World Ambassador as Mickey Mouse stood at attention.

Our three finalists, Gayle Beatty, Laura Darrow, and Cindy Godwyn applauded as Robin's name was called.

Eight of the nine former Ambassadors were present at this year's ceremony including (left to right) Pam Carpenter - 1979, Vicki Jaramillo - 1978, Debby Bennett Griswold - 1977, Mary Ann Carter Engebretson - 1976, Suzy O'Hara Olson - 1975, Christi Zeisler Aldridge - 1974, Karin Cheatham Dent - 1973, and Debby Dane Browne - 1971. Sherry Swets Hornsby - 1972 - could not attend.

## DISNEYLAND SELECTS AMBASSADOR

At a special ceremony held Wednesday, November 5, at the Main Street Train Station at Disneyland, **Willie Van Der Zwaag** of Disneyland Guest Relations was selected the 1981 Disneyland Ambassador. Willie is a student at California Polytechnic University at Pomona studying microbiology. She has been a cast member for three years.

## SAFETY FIRST IN DECORATIVE MATERIALS

The State of Florida Fire Marshal's Rules & Regulations, Section 4A-27.02 Decorative Material, reads in part as follows:

"No decorative material shall be used which as applied will ignite and allow flame to spread over the surface or allows burning particles to drop when exposed to a match flame test applied to a piece removed from the material and tested in a safe place."

Materials used for decorative purposes that cannot meet this standard are not permitted at Walt Disney World Co.

There are numerous activities at Walt Disney World that require the use of decorative material for effect. All decorative material must be flame resistant and approved by the Reedy Creek Fire Services prior to being installed. The upcoming holidays, Thanksgiving, Christmas, and New Year's usually involve additional decorations. Your cooperation by carefully selecting and using only fire-safe decorations will be appreciated.

Please contact **Jim Radcliff** or **Bob Barrow** of the Reedy Creek Fire Services, Code Compliance Division, extension 4691, if you have any questions about the safety of any decorative material or decorations.

## DEADLINE NEARING FOR TELEPHONE ORDER

So, you've finally decided to buy that decorator phone for Christmas! Well, don't wait too long to place your order. The **deadline is November 15.**

## ART FESTIVAL IN THE VILLAGE THIS WEEKEND

Throughout the weekend, Walt Disney World Village will host the sixth annual "Festival of the Masters."

The festival began today with more than 200 award-winning artists displaying their talents in oils, acrylics, watercolors, drawings/graphics, photography, mixed media, sculpture, ceramics, and creative crafts. The artwork will be on display today, Saturday and Sunday from 9 a.m. until 6 p.m.

Several of the country's best known artists and craftsmen will make up the panel of judges for this year's festival titled a "Festival of the Masters." The committee of judges includes: Mark English, Leslie Judd Ahlander, Bill Haendel, and Virginia M. Mecklenburg.

**Mark English** launched his career as a magazine illustrator and his work has appeared in such national publications as Time, McCall's, and Redbook. His unique style of work has been included in private and international collections. He has received the Artist of the Year award from the New York Artists Guild among others.

Art Coordinator **Leslie Judd Ahlander** was educated in Europe and Scandinavia and is the recipient of several art citations including the Cesson Traveling Fellowship in Painting and the National Art Critics Award. Leslie's experiences include lecturer-writer for the United States Information Service as well as Art Critic for the Washington Post.

Silversmith **Bill Haendel** was a Fulbright Scholar at the Royal College of Art in London. His work is exhibited in private and museum collections throughout the United States.

**Virginia M. Mecklenburg**, associate curator of 20th Century Painting and Sculpture at the Smithsonian's National Collection of Fine Arts has organized exhibits for the federal government as well as private organizations. Virginia is currently a doctoral candidate at the University of Maryland and widely known lecturer on public art and art criticism.

Chosen from among more than 400 applicants, the 209 prize-winning finalists will compete for prizes totaling more than \$11,000 with the artists competing for first (\$700), second (\$350), and third (\$175) place awards in each of the eight categories of competition.

In addition, 20 awards of merit along with display booth and demonstration awards will be conferred.

## AVOID LBV AREA THIS WEEKEND

Due to the heavy traffic anticipated during the Art Festival this weekend at Walt Disney World Village, cast members are encouraged to avoid traveling through Lake Buena Vista unless absolutely necessary. Preview Boulevard will be open for hotel traffic only during most of the day Saturday and Sunday.

If you travel SR 535 to and from work, allow extra time due to delays caused by traffic.

Walt Disney World Village cast members received a special parking pass with their paychecks this week. This pass should be shown to Security so that you may enter the parking area.

## GARDENER TRAINEE PROGRAM

Applications are now being taken for the Horticulture Division's 1981 **Gardener Trainee Program**. Interested Walt Disney World cast members should contact the Career Planning and Placement Office at extension 2860 before November 12.

The Gardener Trainee Program is a one-year program involving full-time on-the-job training. Trainees rotate through each area of our horticultural operation to gain a wide range of skills and experience, from mowing lawns and planting annual flower beds to big tree moving.

Trainee responsibilities include attending College of Horticulture classes during work hours, attending a minimum of three Valencia Community College classes after work hours, and taking part in a number of after work field trips throughout the year.

Interest, experience, and good presenteeism are among the factors which are taken into consideration by the selection committee. Applicants must be currently employed by Walt Disney World Co. and should contact Career Planning and Placement as soon as possible.

# "It Takes People"

It's been an eventful year, with several Walt Disney World cast members winning professional awards in their fields. Among the winners during 1980 are the following people:

**Jim Sullivan** of Loss Prevention was elected to the position of Vice President for Region VIII of the American Society of Engineers last May, serving a two-year term. In addition, he was one of the featured speakers addressing the recent 13th Annual Southeastern Occupational Health Conference held in Tennessee. Jim holds a Bachelor's degree in Physics from UCLA and has attended the University of Chicago and the University of Maryland studying Industrial Relations and Finance Administration, respectively. Prior to joining Walt Disney World Company in October of 1975 as a Safety Engineer, Jim taught at Valencia Community College. He still teaches occasionally as an adjunct professor and holds the Disney OSHA Classes held at the University.

The National Executive Housekeepers Association announced the election of **Roy Young** of Custodial as the First Vice President for the National Board of Directors this past September.

Roy joined our Disney Cast in June of 1958 as a Sweeper on Main Street, U.S.A., in Disneyland. Since he was still on active duty in the Navy, working as a Dental Technician, Roy was only a part-time cast member. When he was discharged in August of 1959, he changed his status to permanent and began his career in housekeeping. He was promoted to Assistant Supervisor in early 1960, Supervisor in 1963, Assistant Superintendent in 1968, and finally to Superintendent in 1970 when he was transferred to Walt Disney World Co.

After our opening, Roy was promoted to Area Manager and by 1972 was promoted to Operations Manager.

This is not the first office Roy has held with the National Executive Housekeepers Association, he has held the positions of Chapter President, District Governor of Florida for two terms, and member of the Board of Directors before his recent appointment.

Roy is also known as our official "Santa" at all our Cast Christmas parties.

A team of cast members, **Fred and Pat Harden**, received the Soil Conservation Society of America's Honor Award for 1980 in August. This honor is given to society members and nonmembers for their significant contributions in the field of natural resource conservation.

Both the Hardens have been active in promoting the conservation and preservation of sensitive areas in both their professional lives and in their organizational work.

Fred is the manager of Environmental Relations for Walt Disney World Co. joining us in 1970. Pat works at Reedy Creek Utility Company overseeing the water quality monitoring and environmental assessment of our 7,500-acre conservation area.

Fred received his B.S. degree in entomology from the University of Florida and Pat received a B.S. degree in Biology from the University of Central Florida. They both are members of the Orange Audubon Society, Florida Nature Conservancy and the Florida Defenders of the Environment.

Among their many notable contributions here at Walt Disney World Co. is their assistance in the development of the Environment Class for our new "Wonders of Walt Disney World" program.

## 1980 HALLOWEEN PARTY A SMASH

The green slime reared its ugly head out of the punch bowls Friday night as 450 cast members and their children enjoyed Cast Activities 1980 Halloween Party held at Little Lake Bryan.

There were 36 costume winners for Most Original, Most Scarey, Most Funny, and Best Effort. A special prize was also awarded by the Time and Space Club as an incentive for the youngsters to be creative.

Zombies from Lake Buena Vista's Outdoor Foods Department were "just dying to serve their deadly orange cookies" to the children, according to head ghoul **Larry Coble**.

The Wicked Witch was on hand (claw?) and helped in the judging and the Master of Ceremonies looked like he had just been shot with a bullet hole in his forehead. Just a lot of your favorite fun people having a fantastic time!
